

NEW COMMITTEES OF CITY COUNCIL

Mills and Puller Remain on Streets in Spite of Much Opposition.

POLLOCK WILL BE CHAIRMAN

Committee to Watch Administrative Board Will Be Headed by Mills.

Efforts to secure the removal of Councilman Mills and Alderman Puller from the Committee on Streets failed utterly when the new committees were announced by the presidents of both branches last night. A later effort to secure the transfer of Chairman Gilbert K. Pollock to the Committee on Finance, making him ineligible for service on Streets, likewise failed of its purpose.

The list of new committees announced by the presidents of both branches follows:

Committee on Streets—Councilmen Gilbert K. Pollock, T. Gray Haddon, A. L. Vonderlehr, Morgan H. Mills, John W. Moore, Aldermen Ordway Puller, Joseph E. Powers, Marx Gunst, A. C. Nelson.

Committee on Finance—Councilmen E. R. Fuller, C. A. Stanton, F. H. Powell, H. L. Lumsden, Jacob Umlauf, Aldermen Barton H. Grundy, John H. Grimes, J. R. Pardue, W. J. Gilman.

Committee on Ordinances—Councilmen T. Gray Haddon, Joseph B. Welsh, John W. Moore, A. L. Vonderlehr, Carter G. Jones, Aldermen Marx Gunst, James T. Disney, H. W. Melton, Lawrence Paul.

Committee on Public Buildings, Properties and Utilities—Councilmen Morgan H. Mills, Harvey E. Atkinson, Clyde H. Ratcliffe, James J. Pollard, Gilbert K. Pollock, Aldermen H. W. Melton, Joseph E. Powers, John H. Grimes, John J. Mitchell.

Committee on Dock, River and Harbor—Councilmen George W. Rogers, Carter G. Jones, W. D. Butler, Harry Huber, W. E. Sullivan, Aldermen H. W. Melton, John B. Billey, James T. Disney, A. C. Nelson.

Committee on Claims—Councilmen Harvey E. Atkinson, W. E. Sullivan, W. D. Butler, Joseph B. Welsh, Harry Huber, Aldermen Marx Gunst, Ordway Puller, Lawrence Paul, James T. Disney, A. C. Nelson.

Committee on Advertising and Enterprises—Councilmen George W. Rogers, James J. Pollard, C. H. Ratcliffe, President R. Lee Peters, ex-officio, Aldermen Joseph E. Powers, John J. Mitchell, President William H. Adams, ex-officio.

Board of Public Interests—Councilmen Joseph B. Welsh, W. E. Sullivan, Harry Huber, Aldermen John B. Billey, A. C. Nelson.

As anticipated, the City Street Committee is reappointed, with the addition of Councilman John W. Moore, of South Richmond, who, while serving a term in the Board of Aldermen from old Washington Ward, was an active leader of Street Committee action. The abolition of ward lines in this committee gave the opportunity for representation from all sections in a way not contemplated in the present division of the city into wards.

The new Finance Committee was reappointed, with the addition of Alderman Gilman and Councilman Umlauf. Mr. Gilman is a former member, and his appointment fulfills an old promise. The transfer of Mr. Ordway Puller from his post at the head of the Committee on Finance to the Committee on Public Buildings was regarded as a surprise to practically all members.

The new Finance Committee will have nine instead of seven members. Reappointment of seven members was substantially certain that C. Pollock will be re-elected, with Aldermen the Street Committee, with Aldermen Ordway Puller as subcommittee, and Alderman Barton H. Grundy will be re-elected chairman of the Finance Committee, with Councilman E. R. Fuller as subcommittee.

Ordinance Committee Made Over. The Ordinance Committee is practically made over. The removal of Mr. Umlauf to the Finance Committee leaves the chairmanship vacant, the new member most frequently mentioned last night being John W. Moore, of South Richmond, and T. Gray Haddon, of Clay Ward. Alderman Gunst is a possibility for the chairmanship.

The Committee on Public Buildings, Properties and Utilities, the one which will check the work of the Administrative Board and keep an eye on the methods of conducting the city utilities under its care. Councilman Morgan H. Mills will be made chairman, with Aldermen Melton or Powers as sub-chairman.

Councilman Rogers will head the new Committee on Dock, River and Harbor, and Councilman Atkinson the Committee on Claims. President R. Lee Peters of the Common Council will probably be made chairman of the Committee on Advertising and Enterprises.

FINED \$50

Mose Lockett, colored, was yesterday fined \$50 in Henrico Circuit Court for running a pool room without a license. He was acquitted on another charge of selling liquor without a license after a spirited trial, in which he was defended by Attorney James T. Lewis and L. O. Wendenburg, with the Commonwealth's attorney conducting the prosecution.

The principal witnesses against the negro were Constable T. A. Davis and Policeman John Shoenaker, who were responsible for the arrest of half a dozen offenders from the vicinity of Gayton Mines several months ago. The two officers testified that they purchased liquor from Lockett, there was no corroborative evidence. A number of witnesses testified that the officers were themselves under the influence of whiskey. A third charge against Lockett will be tried to-day.
